

# 2-XL™

These additional 2-XL tapes are available at your local toy store:

## Sports

For the sports fans in the family 2-XL sports tape is programmed with exciting questions, jokes, riddles on all sports, football, basketball, baseball, hockey, water sports etc. Test your knowledge against the coach "Uncle Brainy".

## Games & Puzzles

A tape of funny and challenging games and puzzles for the entire family complete with game book. Various levels of difficulty. Great for parties or those rainy days.

## "Guinness Book of World Records"

What was the longest frankfurter ever made? Who was the shortest woman who ever lived? What is the world's hopscotch record? Hundreds of challenging questions from the Guinness Book of World Records for hours of fun.

## Science Fiction

For science fiction Superhero™ lovers. Includes jokes, facts on fictional characters, Superheroes and famous science fiction characters.

## General Information II

Questions, jokes, riddles on sports, science fiction, different questions on world's records, every subject you can think of for the entire family.

## Metric System / Education

2-XL introduces your family to the Metric System. In his own special way 2-XL "educates" and amuses as he translates the metric system into "English". A must tape for all members of the family before those speedometers change to kilometers. And square yards into square meters.

## Astronomy / 2-XL in Space

Space age discoveries for all ages! Explore the amazing world of outer space. Get a first hand look at the planets, stars and galaxies from the world's first robot astronaut. You are ground control as you plot 2-XL's courses.

## Believe This or Not

Discover the world of fantastic, outlandish individuals, stranger than fiction feats and weird biological wonders. It is a mind-boggler-a-minute when 2-XL researches trivia.

## **Sports II**

2-XL is your coach for a tournament of intriguing questions, games and riddles, from baseball to football and even questions on the Olympics. This is number 2 in the 2-XL sports series.

## **General Information III**

Funny facts, sad facts, surprising facts. Star in your own game show as 2-XL pops the question on everything from movies to world origins to CB radios. It's great family fun.

## **Adult Games & Puzzles**

A dynamite maze of challenging brain teasers to sharpen your wits and tickle your funny bone. Comes complete with detailed game booklet. Test your logic and ingenuity—2-XL has some real stumpers.

## **Interviews with Great People from History**

Did you ever chat with Alexander The Great, or Daniel Boone? Let 2-XL introduce you to the great personalities of history in the most fascinating "Talk Show" ever.

## **Animal World**

Discover the exciting world of the animal kingdom: Animals that hear with their tongues, birds that fly faster than jets, and a jungle of animal world records for hours of family enjoyment.

## **50's and 60's Nostalgia**

2-XL turns back the clock to the fabulous fifties and sixties as he tests your knowledge of intriguing trivia—Elvis, the Beatles, the Brooklyn Dodgers and Gunsmoke to name a few.

## **Storyland: 2-XL and the Time Machine:**

2-XL's fate is in your hands when he rides the Time Machine. Launch 2-XL into present, past or future with the press of a button—and become the writer of your own exciting story!

## **Monsters, Myths & Legends:**

On the trail of Bigfoot, Dracula, and Frankenstein, 2-XL encounters the scariest monsters of all time. It's spine-tingling adventures ahead in our ghostly gallery of myths and legends.

## **U.S. Presidents & American History**

Through the corridors of American history, you'll visit the people and places that make our country great. President Lincoln consents to an interview, now American history has never been so much fun with 2-XL re-living our heritage.

## **The Basics of ABC's**

A surprise package full of educational games and puzzles for pre-school kids to open with the help of 2-XL. Reading, Writing and Fun with Numbers plus questions about our world. Recommended for children 4-8 years.

**AND—MANY, MANY MORE!**

## **PLEASE NOTE:**

2-XL is also an 8-track tape player. Just turn it on & it will play any 8-track tape cartridge for musical enjoyment.
